

The Nuts and Bolts of Job Coaching

Online Course

July 8, 2024 – August 16, 2024
October 7, 2024 - December 6, 2024
March 10, 2025 - April 25, 2025

This self-paced five module online course provides participants with relevant information regarding the role of a Job Coach to support students in community-based work settings.

Objectives

At the end of this training, participants will be able to:

- Describe the responsibilities and competencies needed to support transition-aged students build work-related skills in community-based settings.
- Identify relevant Labor Laws and implications when supporting students in employment settings.
- Apply and implement strategies to provide community-based employment education to students with disabilities.
- Reflect on personal skills and practices to identify strengths and areas for growth.

Target Audience

Paraprofessionals, other support staff, teachers, transition coordinators, special education directors, or anyone interested in this topic.
