PRC-Saltillo Warranties

High Five & One-Year Accessory Warranty

Standard Warranty for Devices that have shipped on or after Jan 1, 2023

PRC-Saltillo High Five Device Warranty

Our commitment to customer service and quality is reflected in our best-in-the-industry standard warranty & support.

Note: The PRC-Saltillo High Five Device Warranty is applicable for devices that have shipped on or after Jan 1, 2023. Devices shipped prior to that date retain their original warranty at time of shipment.

The High Five Device Warranty Covers All of the Following for Five Years from the Date of Shipment:

- ✓ Device repairs for defects in materials and workmanship (including battery).
- ✓ Standard shipping costs within the US and Canada to and from PRC-Saltillo for covered repairs.
- ✓ Unlimited phone and email technical support within posted hours.
- ✓ Use of PRC-Saltillo loan equipment during repair upon request (subject to availability).
- ✓ Exchange of damaged or broken Standard Device Components.
- ✓ AAC Consultants who provide clinical support to you and your teams.

PLUS:

- ✓ For Accent and NovaChat Devices – 3 Accidental Damage (as defined below) repairs during the warranty period.
- ✓ For Via Devices – 2 Accidental Damage repairs during the warranty period.

Terms & Conditions:

1. This warranty covers PRC-Saltillo devices and Standard Device Components. *Standard Device Components include device handle, stand, charger, keyguard frame, screen protector, and wrap.*
2. PRC-Saltillo accessories that are not Standard Device Components are excluded from this warranty and are warranted separately through the One-Year Accessory Warranty. (PRC-Saltillo accessories that are covered separately include but are not limited to: eye trackers, head trackers, switches, keyguards, touchguides, cases, and mounts.)
3. This Warranty only applies to devices purchased directly through PRC-Saltillo in the United States or Liberator Communications Canada. This Warranty does not apply to devices purchased through any other PRC-Saltillo distributor or subsidiary outside of North America. Please contact those entities for warranty information.
4. Warranty coverage for defects in materials and workmanship does not include damage resulting from theft, loss, or perils and Acts of Nature. (Acts of Nature include, but are not limited to: tornadoes, earthquakes, floods, fires, and hurricanes.)
5. Third-party products purchased alongside your PRC-Saltillo device are excluded from this Warranty. These products are provided as a service to the customer and are subject to the manufacturer warranty. For third-party product support, please contact the equipment manufacturer.

6. PRC-Saltillo reserves the right to use refurbished components at its discretion.
7. The use of PRC-Saltillo loan equipment during repair shall be subject to our standard Equipment Loan Agreement. Under the terms of that agreement, Acts of Nature, accidental damage, loss, or theft are the customer's responsibility and are billed at repair or replacement value.
8. Loaner equipment is subject to availability. PRC-Saltillo will make every effort to match loaned equipment to the client's original configuration to enable comparable access and communication. Service Loaners outside of the United States are generally not available due to export/import laws.
9. Equipment returned to PRC-Saltillo for repair must be shipped in appropriate packaging to prevent additional shipping damage. Appropriate packaging shall include a rigid non-flexible box with at least 1.5" of padding between the equipment and the inner container walls in all directions. Original equipment packaging should be retained for future use. PRC-Saltillo can provide packaging for a nominal fee. Equipment returned in non-appropriate packaging may void your warranty for that return.
10. Accidental Damage includes damages that fall outside of defects in materials or workmanship. Accidental Damage includes device failure due to a drop, liquid or foreign matter ingress or incidents other than Acts of Nature in which the device must be returned to PRC-Saltillo Service to restore client usability. Damage caused by high force or ingression will be considered an Accidental Damage repair even if the physical damage is internal only and not externally visible. In this case, pictures will be taken of the damage and shared with the client along with the Accidental Damage repair notification. Accidental Damage does not include a device failure or further damage caused by failure to ship the device in appropriate packaging as set forth in Section 9.
11. The exchange of Standard Device Components is limited to those included with the equipment at the time of purchase and will be shipped to the client at no cost.
12. Client replacement of Standard Device Components is not counted towards the number of total Accidental Damage repairs.
13. If the extent of repair consists of only the replacement of Standard Device Components and the client requests that PRC-Saltillo complete the repair on PRC-Saltillo premises, a service repair charge will be applied.
14. Whether or not a claimed defect is covered by the warranty is subject to the discretion of PRC-Saltillo.
15. To make a warranty claim, contact PRC-Saltillo through our website at https://www.prc-saltillo.com/support-request or by telephone at 800-262-1990. Upon confirmation that the stated problem is covered in this warranty and the product is located in the United States or Canada, PRC-Saltillo shall send a shipping label or shall otherwise authorize prompt shipment to PRC-Saltillo's facility, at our expense.
16. PRC-Saltillo does not cover shipping costs for covered products that are currently located outside of the United States or Canada, the device owner shall bear the cost of shipment to PRC-Saltillo's facility.
17. The remedies stated in this Warranty are the sole remedies for any claims or damages arising out of or relating to the device. Our obligation under this warranty is limited to repairing, or at our option, replacing the device at no charge within a reasonable time after the receipt of notice as to such defect.
18. This Warranty shall be void if the product is repaired or otherwise tampered with in any manner by anyone other than our authorized service personnel. We are not responsible for indirect or consequential damages arising out of failure or malfunction of the device. And in no event shall we be responsible to the purchaser or user of a device for any amount greater than the purchase price of the device that is the subject of the claim. The High Five Device Warranty coverage shall transfer to any subsequent device owner during the remainder of the Warranty term. However, Warranty coverage shall not transfer to a subsequent device or accessory purchase.
19. If you do not accept any provision or limitation in this warranty, you should not purchase the device or product, as all sales are conditioned upon this warranty; or if already purchased, you must return the product within 30 days of receipt for refund. Your acceptance of the PRC-Saltillo device or accessory shall be deemed your acceptance of the terms of the warranty.
20. If a third-party claims that a PRC-Saltillo manufactured item infringes any US patent, trademark, copyright or trade secret, PRC-Saltillo will, upon prompt notification from the buyer, defend the buyer against such claim at PRC-Saltillo's expense and control and will pay all judgments against and damages charged to PRC-Saltillo that a court finally awards based on such claim. The buyer will allow PRC-Saltillo to modify or replace devices, components, or accessories so as to eliminate any claimed infringement. If PRC-Saltillo in its discretion determines that none of the foregoing alternatives is reasonably available, buyer agrees to return such item to PRC-Saltillo at PRC-Saltillo's request and expense, and PRC-Saltillo will credit Buyer at the then current value for the item as reasonably determined by PRC-Saltillo.

PRC-Saltillo One-Year Accessory Warranty

Note: The PRC-Saltillo One-Year Accessory Warranty is applicable for accessories that have shipped on or after Jan 1, 2023. Accessories shipped prior to that date retain their original warranty at time of shipment.

The One-Year Accessory Warranty Covers All of the Following for One Year from the Date of Shipment:

- ✓ Accessory repairs for defects in materials and workmanship.
- ✓ Standard shipping costs to and from PRC-Saltillo for covered repairs within the US and Canada.
- ✓ Unlimited phone and email technical support within posted hours.
- ✓ Exchange of damaged or broken accessories.

Terms & Conditions

1. This warranty covers PRC-Saltillo accessories including eye trackers, head trackers, switches, keyguards, touchguides, cases, and mounts.
2. This Warranty only applies to accessories purchased directly through PRC-Saltillo in the United States or Liberator Communications Canada. This Warranty does not apply to accessories purchased through any other distributor or subsidiary outside of North America.
3. Third-party products purchased alongside of your PRC-Saltillo device are excluded from this Warranty. These products are provided as a service to the customer and are subject to the manufacturer warranty. For third-party product support, please contact the equipment manufacturer.
4. This warranty includes a one-year warranty from date of shipment on defects in materials and workmanship.
5. This warranty includes one accidental damage per accessory as described below, with the exception of standard keyguards and touchguides which are covered fully throughout the one-year warranty period.
6. We understand that keyguards and touchguides are an integral part of the AAC experience. To that end, standard keyguards and touchguides may be replaced or exchanged with standard keyguards and touchguides during this 1-year warranty term, either due to damage or to accommodate a different vocabulary system available within the device.
7. The warranty specifically limits replacement of custom keyguards and touchguides which are individually fabricated to only one accidental damage replacement during this 1-year warranty term.
8. Warranty coverage for defects in materials and workmanship exclude damage resulting from theft, loss, or Acts of Nature. (Acts of Nature include, but are not limited to: tornadoes, earthquakes, floods, fires, and hurricanes.)
9. Equipment returned to PRC-Saltillo for repair must be shipped in appropriate packaging to prevent additional shipping damage. Appropriate packaging shall include a rigid non-flexible box with at least 1.5" of padding between the equipment and the inner container walls in all directions. Equipment returned in non-appropriate packaging may void your warranty for that return.
10. Accidental Damages include damages that fall outside of defects in materials or workmanship. Accidental Damage includes breakage due to a drop, liquid or foreign matter ingress or incidents other than acts of nature in which the device must be returned to PRC-Saltillo Service to restore client usability. Damage caused by high force or ingression will be considered an accidental damage repair even if the physical damage is internal only and not externally visible. In this case, pictures will be taken of the damage and shared with the client along with the accidental damage repair notification.
11. Whether or not a claimed defect is covered by the warranty is subject to the discretion of PRC-Saltillo.
12. To make a warranty claim, contact PRC-Saltillo through our website at https://www.prc-saltillo.com/support-request or by telephone at 800-262-1990. Upon confirmation that the stated problem is covered in this warranty, PRC-Saltillo shall send a shipping label or shall otherwise authorize prompt shipment to PRC-Saltillo's facility, at our expense. For

products located outside of the United States or Canada, the device owner shall bear the cost of shipment to PRC-Saltillo's facility.

13. The remedies stated in this Warranty are the sole remedies for any claims or damages arising out of or relating to the covered accessories. Our obligation under this warranty is limited to repairing, or at our option, or replacing the accessory at no charge within a reasonable time after the receipt of notice as to such defect.

14. This warranty shall be void if the product is repaired or otherwise tampered with in any manner by anyone other than our authorized service personnel. We are not responsible for indirect or consequential damages arising out of failure or malfunction of the device or its accessories. And in no event shall we be responsible to the purchaser or user of a device or accessory for any amount greater than the purchase price of the device or accessory that is the subject of the claim. Accessory Warranty coverage shall transfer to any subsequent Accessory owner during the remainder of the Warranty term. However, Warranty coverage shall not transfer to a subsequent accessory purchase.

15. If you do not accept any provision or limitation in this warranty, you should not purchase the device or product, as all sales are conditioned upon this warranty; or if already purchased, you must return the product within 30 days of receipt for refund. Your acceptance of the PRC-Saltillo device or accessory shall be deemed your acceptance of the terms of the warranty.

16. If a third-party claims that a PRC-Saltillo manufactured item infringes any US patent, trademark, copyright or trade secret, PRC-Saltillo will, upon prompt notification from the buyer, defend the buyer against such claim at PRC-Saltillo's expense and control and will pay all judgments against and damages charged to PRC-Saltillo that a court finally awards based on such claim. The buyer will allow PRC-Saltillo to modify or replace devices, components, or accessories so as to eliminate any claimed infringement. If PRC-Saltillo in its discretion determines that none of the foregoing alternatives is reasonably available, buyer agrees to return such item to PRC-Saltillo at PRC-Saltillo's request and expense, and PRC-Saltillo will credit Buyer at the then current value for the item as reasonably determined by PRC-Saltillo.

Accent®

Accent® 800
Tough. Powerful. Long-lasting.

Designed for increased durability and more dynamic performance, the Accent 800 now boasts 64% thicker customized Gorilla Glass®, more memory, and a larger battery – making it the strongest, most powerful, and longest-lasting 800 generation yet.

Splash- and dust-resistant design exceeds industry requirements for protection against solids and liquids

Specs, with handle:
9" L x 5.9" W x 1.5" D; Weighs 2.5 lbs.

**Frame provides additional protection, personalization, and accommodates keyguards and touchguides**

1920 x 1200 resolution display for clear, sharp images

Customized Gorilla Glass is 64% thicker than previous Accent 800 generations, making it stronger than ever

Contrast printed port labels make it easier to see ports and eliminate confusion

Stronger, more durable handle provides a thicker grip with a soft rubber coating for comfortable carrying

Speaker provides rich, clear sound for audible communication in a variety of environments

Fully adjustable, durably molded stand allows for a wide range of angles that stay in place

Additional Features:
- Comes pre-loaded with choice of vocabulary from the Minspeak® Family (Unity®, LAMP Words for Life®, CoreScanner, UNIDAD®), Essence®, or WordPower®
- Accommodates wired and wireless switches, keyguards & touchguides, and the NuPoint® Head Tracking system for a variety of access options
- Approximately 9-10 hours of battery life under typical usage
- Larger, longer-lasting battery allows for more charge cycles
- USB-C port supports the latest accessories and can be used for HDMI output
- Automatic brightness control adjusts to different lighting environments when feature is enabled in Empower®
- Faster CPU and increased memory allow for more powerful and responsive hardware for features like symbol search and vocabulary loading time

Accent

Accent® 1400
The most advanced AAC solution

The Accent® 1400 features a high resolution display on a 14" screen for individuals with complex access needs or those who want larger icons.

Splash-resistant

Built with a moisture seal and port covers to repel moisture

Specs, with handle:
14.3" L x 9" W x 1.8" D;
Weighs 5.95 lbs.

Quiet
Completely fanless so the only thing that can be heard is your voice

14-inch IPS high definition touchscreen with impact and scratch-resistant, chemically-strengthened glass

Modular

Can be fully integrated with our newest Look® eye tracker for a sleek, all-in-one unit

3840 x 2160 4k UHD
for clear, sharp images

Long-lasting
Industry-leading battery life for all-day use

Accent 1400 and Look are a powerful combination with more accuracy and faster gaze recovery.

Additional Features
- Comes pre-loaded with choice of vocabulary from the Minspeak® Family (Unity®, LAMP Words for Life®, CoreScanner, UNIDAD®), Essence®, or WordPower®
- Two 2.0 USB ports, one 3.0 USB port; two Switch-Scanning ports; Bluetooth® Phone Interface, Bluetooth AeroSwitch; one micro-HDMI port
- USB connectivity allows use of mouse, joystick or mouse emulation access products
- Approximately 13-15 hours of battery life (10-12 hours with Look module) under typical usage
- A large, high-resolution display that can be seen in all conditions
- Accommodates NuPoint® Head Tracking System as an effective solution for users with limited or no use of their hands

For home, school, work, and play, explore new Versa™ accessories for the everyday, on-the-go iPad® user. Versa adds protection, amplification, and accessibilty to your iOS experience (iPad sold separately).

VersaWrap

Add protection to your active iPad with a lightweight, impact-resistant wrap that stands up to anything your day throws at you.

- Carry with the comfort-grip handle or add the VersaStrap to the attachment points
- Find the best screen view with the multi-angle stand
- Add an Apple® AirTag™ (sold separately) to the built-in pocket to track your iPad
- Attach the VersaSpeaker to the back of your wrap to be heard clearly wherever you go

VersaWrap (black, pink, lavender, gray, or blue)	$75
VersaStrap (black)	$15

VersaWrap 10 (9.1" L x 10.4" W x 1.6" D; Weight .6 lbs) is compatible with iPad 7th, 8th, 9th, 10th Gen, iPad Air® 4th, 5th Gen, and iPad Pro® 11 1st, 2nd, 3rd, 4th Gen.

VersaWrap 12 (10.6" L x 11.7" W x 1.7" D; Weight .7 lbs) is compatible with iPad Pro 12.9 3rd, 4th, 5th, 6th Gen.

VersaSpeaker

Amplify your sound with this portable Bluetooth® speaker – the perfect accessory for use with an AAC app or to turn up the volume on the music that moves you.

- Snap into the back of your VersaWrap or simply attach the strap and carry it with you for on-the-go volume
- Water-resistant design won't let a little water get in the way

VersaSpeaker (white)	$149

2.2" L x 6.2" W x .75" D; Weight .3 lbs
